

TIS THE SEASON TO BE GIVING....

Falalalala__lalalala__! And what does your Council want for Christmas if you were Santa Claus asking?

The one gift that is vital & necessary for any K of C Council, but this Council especially because it operates more activities & commits itself to more responsibilities than the average Council; is a "new member" that was approached by YOU! Let's put things in perspective... You have been a member for how many years, and you might feel you have done your share of the workload (and you probably have), then who is going to take your place? Whose place did you take when you were recruited to join? You see how this works in keeping your Council accomplishing its goals, its purpose?

Now what about this recruiting a new member during the Advent Season: You, brother Knight, have either a membership app or this interest card I have copied below (cut it out), folded in your wallet. You see a Catholic man at Mass receiving communion and with his wife/family, you follow him outside after Mass, walk up next to him introducing yourself and asking if he knows about the Knights of Columbus and has he ever been asked to join? You do not have to be elegant in speech, just talk in a calm manner.

What are you actually doing? You are showing him respect & acceptance as a Catholic man. You ask him if he would be so kind as to help you complete this information card where we would be honored to contact him at a later date to invite to an admissions meeting talking about the Council in detail. You put your name as the proposer. If he does join, you receive 1000 award points to redeem for gifts and a medallion of Fr. McGivney's beatification as a Saint. Hand the card to an officer or membership team to process. You have done your part. The recruiting committee does the rest while you get the rewards. Like I said, "tis the season to be giving"! God Bless your family & Merry Christmas.
